Dear Ms. Allender:

Evangel Assembly would like to once again extend our hand of appreciation in partnering with us on September 26, 2009, as community advocates of health promotion and disease prevention. Over the last four years, we have empower and educated over 200 individuals each year to become health & wellness change agents, one person, one family, and one community at a time.

We would love to continue the steady growth of community participation by soliciting your organization to display Evangel Assembly's 5th Annual Community Health Fair promotional materials to promote our continued goal to raise community and public awareness about healthy lifestyles.

Please note the following Evangel Health Fair attachments to display in your organization:

- Tri-folds
- Postcards
- Fliers

Thank you again for your participation!

Warm Regards,

J. Mitchell
